

## Jam Tune List

Weekly old-time jam hosted by the Virginia Creepers • virginia creepers.com

See jam details at [oldtimeabq.com/jams.html](http://oldtimeabq.com/jams.html)

Notes about this list:

- Updated weekly
- Audio examples are the closest I could find to the version played at the jam.
- This list includes all tunes played (and a few songs sung) since records have been kept, April 2013 - current date (includes all the Facebook Live jam-along sessions during the pandemic hiatuses and beyond).
- Tunes are organized by key. Search for specific titles/words/sources/authors/etc. using the "find" option on your browser or pdf viewer.
- Scroll right to see all six columns.
- We change tune titles if the "original" titles are offensive or questionable, as we see fit. (Some may still appear under "Alternate Titles.")

Compiled and annotated by Jane Phillips, jam/band den mother.
